Dear Ms Heppell,

Planning Application No: 3/2022/0128  
Grid Ref: 373277 436211  
Proposal: Proposed single storey extension to rear with window alteration.  
Location: 4 Church Lane Whalley BB7 9SY

I am writing on behalf of Whalley Parish Council to request that you approve this planning application with conditions as it is located within a conservation area.

We would request that the materials used for the windows remain as wooden frames and that the roof materials remain as slate to be in keeping with the area.

Yours faithfully

Liz Haworth
