Planning Application No: 3/2022/0186

Proposed replacement of windows and gutters, internal repair works, conversion of existing outbuilding into home office space and replacement of outbuilding with new greenhouse.

Higher Chipping House Cutler Lane Chipping PR3 2SY

Dear Adrian,

Thank you for this consultation.

The outbuilding appears to be a late 19th C addition to the property, probably a stable. The proposed alterations will not significantly impact on the ability to "read" the building (for example there is a blocked door onto the road which will still be obvious) and so I do not think there is any need for archaeological recording.

Any queries, as always, please get back to us.

Regards

Peter McCrone
