Dear Sir/Madam

Gisburn Parish Council wishes to register its support for the above application. The applicant has endeavoured to discuss his application with the Parish Council and local residents on a regular basis and has acted openly during the process. The Parish Council would prefer to see the current permanent structure in situ rather than an alternative temporary structure which it is understood the applicant could legally put in its place (although there is no suggestion the applicant intends to do this).

Yours faithfully

Cathy Holmes
Parish Clerk
