Sarah

I met with Alistair McEntyre yesterday and we discussed his application and my concerns in relation to the proximity of the retaining wall to his proposed development

Having examined the site and looked in some detail at the location and condition of this wall, I agree that the work outlined in the attached letter will satisfy my highway safety concerns. I would be grateful, therefore, if you would note that I wish to amend my previous comments, to the effect that I have no objections to the application, subject to the completion of the agreed works.
