Dear Sir

Planning Applications, Ribble Valley District
3/09/0355 Time Technology Park, Blackburn Road, Simonstone

I refer to your letter of 19 May 2009 concerning the above Application.

I have no objections to this proposal on highway safety grounds.

The proposed locations for the signs, flags and hoardings have been set well back from the edge of carriageway and do not interfere with any visibility splays affecting access to these premises.

Furthermore, the design and construction of the proposed items will not distract or mislead motorists or present a hazard to road safety.
