

The floor plan of the second floor shows a large rectangular room on the left, a smaller room on the top right, and a larger room on the bottom right. A central hallway connects these rooms and contains two restrooms. There are several doorways and windows indicated by lines and small rectangles.

A simple line drawing of a house. The house has a gabled roof with horizontal lines indicating shingles. On the left side, there is a window with a small rectangular pane above a larger rectangular pane. In the center, there is a chimney. To the right of the chimney is the front door, which has a small rectangular window above a larger rectangular pane. The house is drawn with simple black outlines on a white background.

A simple line drawing of a door with a handle. The door is rectangular with a slightly arched top. It has a small, vertical handle in the center. The door is shown in a slightly open position, revealing a textured interior surface.

This site plan shows the layout of the former children's nursery and its surroundings. The central feature is the 'Former Childrens Nursery', which consists of 'Block A' and 'Block B'. To the north of the nursery is a 'Car Park' and an 'EI Sub Sta'. To the east is a 'Garage' and a 'Former Police Station (Now Residential)'. To the west is a 'Shops/Apartments' building labeled '5'. The site is bounded by 'ACCRINGTON ROAD' to the south. Other features include a 'rumble strip', 'Access to Car Park', 'Tarmac', 'Access to Sub Station', and 'Gravel' areas. Buildings are numbered 1, 2, and 5.
