RIMINGTON & MIDDOP
PARISH COUNCIL

Dear Mr Macholc

The P C has considered application 3/2011/0389. Alterations to rear of New Ings Coal Pit Lane and has no objections

The PC has also considered application 3/2011/0526. They have no objections to the conversion of the garage, though it will make the density of housing behind and adjacent to the Black Bull rather high. The P C do however object to the construction of the garage across the road where it is shown at present. Although the occupier has been allowed to treat this land as though it has domestic curtilage it does not. A trawl through your files will reveal the long running saga over the use of this land, which until this application had been dormant. The land with domestic curtilage is where the present summer house is built. The P C would have no objections to the building of the garage there.

For the parish council

David King
Clerk
