DESIGN AND ACCESS STATEMENT

RS
25/05/11

320:10420P

INTRODUCTION

It is proposed to increase the height of existing roof as approved under planning application No 3/2009/1139/P to allow extended accommodation in the roof space/

ASSESSMENT

The 'Oaks is located approximately 1/2km from Whalley Old Road on the eastern side of Old Nab Road, Langho.

The site is situated within an area which is mostly open grazing land with some large mature trees to the west of the site.

To the south of The Oaks there are three properties, Whittle Hall Farm , Whittle Hall House, and Spring Barn.

These said properties are separated from The Oaks by a screen of mature laylandi trees and quite a large redundant piggery building on the boundary of neighbouring land

Planning permission ha recently been granted for the conversion of piggery into 2 no holiday lets (3/2007/1139)

Permission was granted following refusal for the same building being converted into 3 lets.

The case officer at the time was concerned over development of the building and perhaps leading to a compromise of neighbouring amenity space.

Highways were also concerned about the restricted visibility splays at the junction of Old Nab Road and Whalley Old Road Improvements were made at the junction following a successful Planning Application to the satisfaction of highways and planning.

As previously mentioned planning was granted for 2 holiday chalets using the north section of the piggery building. The back(south) section of the building used for office and ancillary use to the chalets.

 25/05/11

320:10420P

SUMMARY

The principle of the proposal does not differ from previously approved i.e. a holiday let

The increase in roof height by 1.20m does not compromise amenity space of neighbouring property in any form

Considering the location and isolation of the application site un-equal gables do not compromise design or visible impact.

Highways issues are not compromised.
