Dear Sir,

PLANNING APPLICATIONS

The parish council wish to comment on the following applications as follows,

3/2011/0468 – Application to renew consent **3/2008/0135P** for the demolition of the existing garage, erection of single storey extension to include new garage and formation of habitable room in the loft and internal alterations, at 1, Springdale Road, Langho.

No objections

GT **3/2011/0474** – Change of use of land extending amenity space for the purpose of rehabilitation of injured and infirm police officers. Works to include levelling of existing land, construction of footpaths, creation of garden areas, erection of gazebo and water fountain, at St. Michaels Lodge, Northcote Road, Langho.

No objections

3/2011/0484 – Proposed demolition of existing dwelling and construction of a replacement dwelling including associated external works at Greenfield, Neddy Lane, Billington.

No objections

3/2011/0382 – Proposed erection of first floor dormer and miscellaneous internal alterations, at Whinfield, 15, Whinney Lane, Langho.

No objections

3/2011/0580 – Proposed construction of a micro hydro station including a building to house turbine transformer and control equipment also an associated fish ladder at land at Hole House Farm, Bridge End, Billington.

No objections

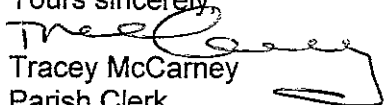

3/2011/0597 – Re-application for a single live/work unit as granted under consent 3/2006/0008P on the former hospital bowling green, at the Bowling Green, Cherry Drive, Brockhall Village, Blackburn

The parish council objects to this application as all the live/work units which have previously been granted planning permission on this site have subsequently applied to have the live/work part of the application removed. Therefore we feel that the same will occur with this application and that the term live/work unit is being used to get the application passed

3/2011/0563 – Proposed single storey rear extension to rear of the dwelling at 23, Walmsley Brow, Billington

No objections

Yours sincerely,

Tracey McCarney
Parish Clerk
