The Process

Clough Farm is run in conjunction with Closes Hall Farm and is a 570 acre mixed livestock farm, with 300 milk cows and followers in the pedigree Holstein Friesian dairy herd. In addition there are 1100 breeding ewes on the farm. Mr Cornthwaite employs four full time staff, and two part time staff.

In addition to the agricultural activities on the farm a diversification into livery and breeding horses exists on the farm, which is very successful and complements the agricultural unit.
