Drafted 9 November 2011

Dear Sir

**Planning Application, Ribble Valley District
3/11/0534 17-17A Accrington Road, Whalley**

Further to my initial response of September 2011 concerning the above application, I have received copies of an amended plan.

The proposed layout, as identified on plan No.2002/03/B and forwarded on 1 November 2011 indicates that an off street parking space is retained to the rear of the development. This is consistent with the existing arrangements and on this basis I have no objection to the application on highway safety grounds.
