Drafted 7 October 2011

Dear Sir

**Planning Application, Ribble Valley District
D3-11-0548 18 Whalley Road, Clitheroe**

I refer to your letter of 17 August 2011 concerning the above application.

I have no objection in principle to this application on highway safety grounds.

The one clarification I will attach to this application concerns the mounting height of the proposed sign. The drawing provided indicates, incorrectly, that the height of the sign is 3.2m to the top of the sign. The mounting height must be 3.2m from the footway level to the base of the sign.
