**DESIGN AND ACCESS STATEMENT FOR
PLANNING APPLICATION FOR TENNIS COURT
AT DENISFIELD HOUSE, RIMMINGTON LANE,
RIMMINGTON**

The proposal is for a domestic tennis court measuring 18.5 metres by 37 metres. It would be enclosed with a 3.1 metre dark green wire mesh fence. The surfacing would comprise dark green synthetic turf. The court would stand to the north of an established stand of trees and shrubs. The remaining three sides would be screened with additional landscaping illustrated on the submitted drawings. The provision of this landscaping could be secured through the imposition of an appropriately worded condition.

From an aesthetic standpoint, a dark green surface, enclosed by a semi transparent dark green mesh fence, is likely to blend well with its rural surroundings and be indistinguishable from the green hues of surrounding vegetation. It would also not be visible from Rimmington Lane, being concealed behind established planting. In the circumstances, it is difficult to conceive how the proposal could be considered to be anything other than sympathetic to its surroundings. It would thus comply with saved Policy G1 criterion (a) of the Ribble Valley Local Plan which requires that development is sympathetic to existing and proposed land uses in terms of its size, intensity and nature.

In terms of access, as no public access is intended, this requirement is superfluous.
