Please read the following checklist to make sure you have sent all the information in support of your proposal. Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the Local Planning Authority has been submitted.

The original and 3 copies of a completed and dated application form: ☒

Drawings

The drawing of the proposed advertisement should show its dimensions and position on the land or building in question. For a sign, the drawing should indicate the materials to be used, fixings, colours, height above the ground and, where it would project from a building, the extent of the projection. A site location plan should also be provided which identifies the proposed position of the advertisement and location of the site by reference to at least two named roads. It should be drawn to an identified scale and show the direction of North. Ordnance Survey maps are not required. Photographs and photomontages may be used. The original and 3 copies of each drawing should be provided: ☒

Description of signs, size and illumination

The type of each sign for which application is being made, e.g. fascia, projecting box, pole-mounted free-standing, should be shown, together with the dimensions of each sign. If any of the signs are to be illuminated please describe the type of illumination, e.g. internal, external, floodlight, etc, and whether the illumination will be static, flashing, or have moving parts. The original and 3 copies of each description should be provided: ☒

The original and 3 copies of a plan which identifies the land to which the application relates drawn to an identified scale and showing the direction of north: ☒

The original and 3 copies of other plans and drawings or information necessary to describe the subject of the application: ☒

The correct fee: ☒

Owner's consent:

It is a condition of every consent granted by or under the Regulations that, before displaying any advertisement, the permission of the owner of the land or other person entitled to grant permission must be obtained. To display any advertisement without this permission is an offence, open to immediate prosecution.

Where the site is within the boundaries of a highway, evidence that the application is acceptable to the highway authority must be provided.

Dear Sirs

**SPONSORSHIP OF HIGHWAY INFRASTRUCTURE
TOWN AND COUNTRY PLANNING ACT 1990
ERECTION OF NON-ILLUMINATED SPONSORSHIP ACKNOWLEDGEMENT SIGNS
ROUNDBOUTS AT A59/A666 (PETRE ARMS) AND A59/A671 (BRAMLEY MEADE)**

I write to confirm Lancashire County Council support for the sponsorship of the Highway Infrastructure where safe to do so.

Having taken into account the standard size and design of the signs, I am satisfied that:

1. The signs will not compromise the safety of persons using the highway
2. That the displays of the advertisements in question are not likely to obscure, or hinder the ready interpretation of any traffic signs.

I therefore confirm that the application for advertisement consent for non-illuminated sponsorship acknowledgement signs on the highway infrastructure located within the Borough of Ribble Valley are acceptable to Lancashire County Council.

Yours faithfully

Mark Hornby BEng MSc MCIHT
Principal Engineer (Traffic & Development)
