Dear Mr Macholc

Planning Application No: 3/2011/0714
Erection of two non-illuminated sponsorship acknowledgement signs
Junction of A59/A671 Accrington Road Roundabout

Planning Application No: 3/2011/0716
Erection of three non-illuminated sponsorship acknowledgement signs
Junction of A59/A671 Whalley Road Roundabout

With reference to your letters dated 27th October 2011 regarding the amended descriptions on the above planning applications, the views of the Parish Council have not changed and are as stated in the letter dated 26th September 2011.

The Councillors strongly object to the both of the planning applications listed and have made the following comments:

- The signs would cause a serious distraction to drivers negotiating the roundabout, which already has a history of accidents;
- There is already a clutter of signs. Any further would create a visual, unacceptable obscenity;
- It seems inconceivable that the Highways Authority is in favour of such a scheme.

Yours sincerely

Victoria Wilson

Mrs Victoria Wilson
Clerk to the Parish Council
