Drafted 22 November 2011

Dear Sir

**Planning Application, Ribble Valley District
D3-11-0763 76 Mitton Road, Whalley**

I refer to your letter of 2 October 2011 concerning the above application

I have no objection in principle to this application on highway safety grounds.

I have noted that parking takes place on the south side of Moor Lane, adjacent to No. 76, but there is no reason to anticipate that the proposed development will generate a level of additional vehicular activity that will result in significant additional on street parking activity.
