FOR THE  
SECTION OF

Drafted 22 March 2012

Dear Sir

**Outline Planning Application, Ribble Valley District  
3/11/0776 land at Whiteacre Lane, Barrow, Wiswell**

I refer to my previous response of December 2011 concerning the above application.

I have no objections in principle to this proposal on highway safety grounds.

The most recent email correspondence I have received confirms that there is no prospect of the applicant achieving any control over land to the west of the site, such that additional footway provision could be achieved.

I am grateful for the efforts made in this regard and do not consider that the outcome of these investigations should have a negative impact on the progress of the application.
