Dear Sir/ Madam,

Applications week ending 4th November 2011

Your Ref No:

RH 3/2011/0865
AD 3/2011/0873

United Utilities have no objection to the proposed developments at this stage. However, due to the Private Sewers Transfer not all sewers are currently shown on the statutory records, therefore the applicant should be made aware that the proposed developments may fall within the required access strip of a public sewer.

Therefore, United Utilities suggest that the applicant contacts a Building Control Body at an early stage, to discuss this matter further.

Yours faithfully
