Subject: Planning application 3/2011/0896

Dear Graeme

The parish council wish to make the following observations regarding this application:

The council was in agreement for a suitable development to proceed. However, several issues were raised regarding the parking.

- The fence erected was not in keeping with the area of natural beauty.
- The council could not support the planned access and egress.
- Vehicles turning and reversing near to the top of Back Lane could cause an hazard. Sixteen properties have use of that narrow and awkward lane. Visitors to the new dwellings could cause severe difficulties.

Regards

Barry
