Dear Sirs

Re: Planning Application Number: 3/2010/0919

I write regarding the above matter and apologise for the delay in responding.

I confirm that that Parish Council wishes to forward the following comments:

03/01/2012

1. Has the pollution risk been fully assessed?
2. Should the planning application be successful, how many personnel are they planning to employ?
3. Is there a stipulation for the Pressing Plant to be stone clad on all sides? If not, then they would wish to make this recommendation.

We look forward to hearing from you.

Yours faithfully

Mrs. Alison Robinson
Parish Clerk
