PROPOSED NEW DWELLING
1 PORTFIELD BAR
WHALLEY

The property and site

The existing house is a two storey medium sized detached residence located on the A680 (Accrington Road). Access is directly off the highway. The house has an integral garage and a car port and large gardens covering a site area of 720m².

The property was built approximately 80 years ago and is the first house in a row of similar other dwellings off the highway.

The proposal

The proposal detailed on the drawings submitted for the outline planning application (all matters reserved) portrays a new dwelling located immediately to the north of the existing property within the garden cartilage.

The new house will share a common existing access off Accrington Road and will have an integral garage. The house respects the existing building lines to the front and rear and access is shown to either side of the property.

The massing and scale of the dwelling respects the existing property and will be a continuation of the current alignment of individual houses.

Consultation

The applicant has had pre-planning consultation with Martin Nugent of Lancashire County Council Highways division in July 2011. The proposal received a favourable response on the basis that a proposed new roundabout junction has now been abandoned and the fact that the proposal does not require a separate access off the A680
