Hello Adrian.

I have no objections to this application. The applicant must ensure that sufficient sanitary accommodation is provided to satisfy the requirements of the Local Government (Miscellaneous Provisions) Act 1976 and the British Standard 6465. The catering facilities must comply with The Food Hygiene (England) Regulations 2006 and Regulation (EC) 852/2004 and the applicant should be encouraged to contact this Department at an early stage to discuss their proposals.

Regards
