WITTON LODGE, SCHOOL LANE, SIMONSTONE
(RESUBMISSION OF PLANNING APPROVAL REF. 3/2010/0139 WITH
DESIGN AMENDMENTS)**

Date: 12 December 2011
Our Ref. 3778
Author: Stuart G. Herd RIBA
Version: 1.01

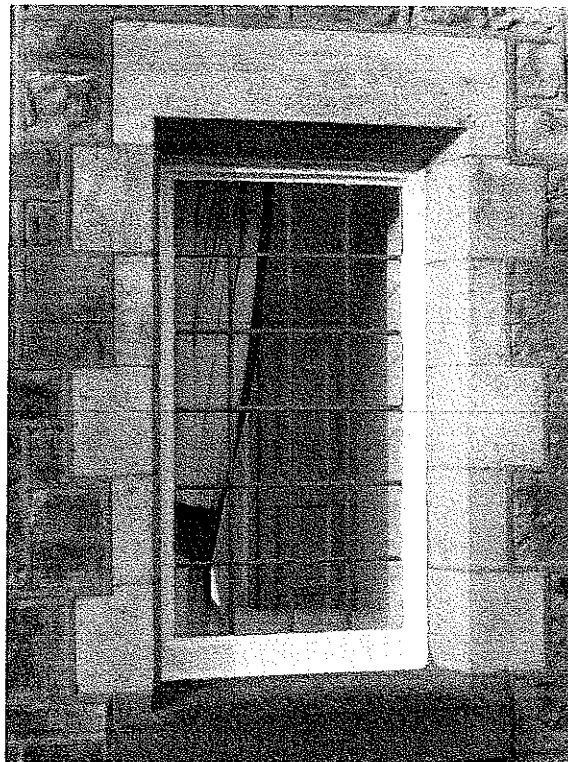

Pl. 1 Photograph showing samples of walling and roofing materials – actual samples are available for inspection, if required.

Please refer to SPA approved design drawing 3778-10E for details showing where new external materials are to be incorporated

Pl. 2 Photograph showing a typical example of the stone quoin detail that was used on the extension external corners and also to form the door opening jambs for the proposed garden room extension, allowing the frames and glazing to be recessed well back into the opening.

Pl. 3 Photograph showing an existing window surround and the detailing that would be repeated for new window openings.
