Subject: FW: Consultation on planning application 3/2011/1050 land at Waverley Road, Ramsgreave
Graeme

I have no objection to this proposal, subject to the following condition:

The parking area for each of the two dwellings and the existing access track between the parking areas shall be appropriately paved in tarmacadam, concrete, block pavements, or other approved materials. Reason: To prevent loose surface material from being carried onto the public highway thus causing a potential source of danger to other road users.

Regards
