Dear Sir/Madam

**Ribblesdale Works, Clitheroe
Cement Packing & Storage Building**

I am writing on behalf of Hanson Cement to seek the County Council's approval for the modification of the above building as detailed on the following attached plans and elevations:

<u>Drawing No</u>	<u>Description</u>	<u>Copies</u>
R99-22	Proposed Elevations	3
R99-23	Application Location	3
R99-24	Ownership Boundary	3

The proposed building which once contained tanker loading equipment is now required to house a new cement bagging plant. The floor plan of the 9.3m long by 5.8m wide building will remain the same. The 16.285m building requires extending in height by 2.1m to accommodate the new cement bagging machinery.

The fibre cement sheet cladding would be replaced by goose-wing grey coloured plastisol steel cladding together with a proportion of translucent plastic cladding. Its appearance will be conducive with the western side of the works.

Access to the building will be as it presently exists through the packing warehouse

Hanson Cement is keen to commence erection of the building at the earliest possible opportunity so as to secure the benefits of the new bagging plant for the Ribblesdale site

If you should require any further information to assist in your consideration of the proposal please do not hesitate to let me know. My mobile telephone number is 07713 685646.

Yours sincerely

Andy Crowson
Senior Project Manager
