INTRODUCTION

Trevor Dawson have been asked to prepare this Heritage Statement on behalf of Ms M Fielding and Ms S Clemson, the applicants seeking planning consent for the change of use of 1 Swan Mews, Off Castle Street, Clitheroe from B1 office to A1 shop and artist's studio, exhibition space and proposed gallery.

SITE LOCATION AND DESCRIPTION

Swan Mews is located in the centre of Clitheroe, immediately off Castle Street, and is accessed via an archway off Castle Street which opens into a communal servicing and parking area for the adjoining Swan & Royal Hotel.

The subject property is situated on the ground floor of a two-storey stone built property which abuts the side elevation to the Swan & Royal Hotel and has a pitched slated roof

The subject property forms part of the Swan & Royal complex and historically were ancillary to the main hotel use, forming mews and stabling.

The whole property has been refurbished both at ground and first floor levels internally and externally

PLANNING HISTORY AND POLICY

Swan Mews is located in the Town's Conservation Area.

Planning permission was obtained approximately three years ago for B1 office use and prior to that the use, we understand, was residential

The relevant planning policy documents are PPS5, the RVBC Local Plan and the Clitheroe Conservation Area Appraisal.

PPS5 Planning for the Historic Environment is the predecessor of PPG15. It recognises the value of this historic environment and the contribution it makes socially, economically and culturally today. Also, those historic environments should be managed to ensure their continuing contribution to our heritage.

The RVBC Adopted Local Plan shows the subject property lying within the Town Centre of Clitheroe and within the Conservation Area.

The Clitheroe Conservation Area Appraisal was prepared in 2005. It seeks to record and analyse particular features of Clitheroe's historic environment. Whilst Castle Street is in the historic core of the medieval town and one of its principle medieval streets, the subject premises are not specifically mentioned, but the adjoining Swan & Royal premises are one of the most significant Grade II listed pubs, inns and hotels dating back to earlier than the 18th century.

Castle Street is within detailed Character Area I in the Clitheroe Conservation Area Appraisal document. The construction of the subject premises is entirely consistent with the character of the area.

THE PROPOSAL

The application is for a change of use from B1 office to A1 artist's studio, exhibition space and proposed gallery. The accommodation will be split into a gallery for the sale of artist's work, with the large room used as the artist's studio, as marked on the plan

There will be no alteration to the premises and the façade will be maintained as it is.

CONCLUSION

The application proposes no change to the frontage of the property and is wholly in keeping with the Town Centre and its immediate surroundings. Indeed the use compliments the character of Swan Courtyard in the immediate vicinity of the subject premises.
