Dear Mr Macholc:

Planning Application 3/2012/0022
3 Springfield Close Whalley

The Parish Council received this application on the date of their meeting, and considered the stated amendments without having the opportunity to compare the original approval in detail and in comparison to the current application.

The Parish Council, whilst not objecting, observe that the increased height of the amended proposal, particularly above the garage, is likely to create a substantial continuous development which will dominate the street scene at the northern end of Springfield Close. Careful consideration needs to be given to this application, preferably by inspection by members of the committee or at least by the officer concerned to assess the impact of the amendment,

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Fred Holland', written over a horizontal line.

Fred Holland

Clerk to Whalley Parish Council
