Dear David

RE: Proposed dormer windows to the front, together with a side extension to the bungalow
AT: 26 Whalley Road, Langho

Thank you for your application which we received on Tuesday 10th January 2012. The application has been vetted and we will need some further information before the application can be validated:

- All proposals need to be annotated with dimensions but only the height of the proposed extension is on the drawings. Please can you also add the overall external length and width of the extension. In relation to the proposed dormers please can you add the overall external height, width and projection.
- For clarity please can you show on the existing drawings that the garage will be demolished - either a label or highlighting/hatching will be fine. Also, please can you confirm that you are happy for 'Demolition of existing garage' to be added to the description.

Would you like to call into the offices or would you prefer me to send the plans back for alteration?

Finally, the proposal involves work to the existing roof space so the application will be scored by our Countryside Officer to see whether or not a bat survey is required. Once I have the scoring I will let you know.

Once the above information has been received the application can be validated. Please quote ref. no 14 in any reply. If you need any assistance please do not hesitate to contact me.

Kind regards
 Louise
