Dear Sir/ Madam,

Location: Crawshaw Farm, Newton in Bowland, Clitheroe
Proposal: Erection of 25m high Wind Turbine

With reference to the above planning application,

I have no objection to the proposed development.

United Utilities offer a fully supported mapping service at a modest cost for our water mains and sewerage assets. This is a service, which is constantly updated by our Property Searches Team (Tel No: 0870 7510101). It is the applicant's responsibility to demonstrate the exact relationship between any assets that may cross the site and any proposed development

Please note, due to the public sewer transfer, not all sewers are currently shown on the statutory sewer records, if a sewer is discovered during construction, please contact a Building Control Body to discuss the matter further.

Yours Faithfully
