Please can we have your comments on the above planning application? It is for the conversion of 4 Stanley Street into two self contained flats including extensions, plus creation of one new dwelling to the rear of 4 Stanley Street following demolition of remains of derelict barn. There are too many plans and

 Graeme

I note that the proposed flat conversions and single new build property do not have any dedicated parking provision. The town centre plot is however situated conveniently for all local amenities, well placed for public transport services and within easy walking distance of public off street car parks, and therefore the lack of parking provision does not give rise to any highway safety concerns.
