Thanks Graeme,

Delving deeper into the matter and in particular app/2012/0153 it appears that permission for the new build was refused largely on the grounds of its scale (2 storey) and not for any other issue. Perhaps unfortunately Mark's response was not one i would agree with as I would be concerned at the additional parking demands that the development would place on Stanley Street, however in keeping with Mark's original comments and bearing in mind that the current proposal is of a reduced scale I would have to concur with the previous highway comments and raise no objection to the proposal on highway grounds.

Cheers
