Jane - in terms of open space provision there is currently a play area and playing field at the Barrow end of the overall site so my immediate reaction is that a contribution be made to improving this (as per the two previous developments on the site) However my concern is that, if more applications were to materialise then the current provision may not be big enough in the longer term.

Regards

Chris

Please can we have your comments on the above application? It is an outline application for 73 open market detached dwellings and 31 social housing properties. Here is a link to view the documents on our website http://www.ribblevalley.gov.uk/site/scripts/planx_search.php
