Subject: 3/2012/0177 & 3/2012/0221

Adrian,

Having reviewed the above applications may I suggest a condition in line with the following wording to ensure that removal of the material at both sites does not cause a nuisance to nearby properties.

'A scheme for the control of dust during the removal of material shall be submitted to the local planning authority prior to the commencement of any works'

In the interests of protecting the surrounding amenity.

Regards
Neil
