The Town Council have no objections to this application . However, they request the Borough Council to consider introducing a policy to limit the number of coffee shops/ cafes in the Town Centre.

The Town Council wish to object to this application on the following grounds:-

- The development will be detrimental to residential amenity as the new sports hall will be located too close to the nearby residential properties
- That a time limit be placed on the use of the floodlights on the tennis courts to prevent nuisance being caused to local residents in an evening.
- That before any development takes place remedial action be carried out to address potential flooding
