2nd April 2012

Dear Mr Machole

Planning Application No: 3/2012/0213

Proposal: Erect a single gate across driveway (Listed Building Consent)

Location: Vicarage Farm, Old Back Lane, Wiswell, BB7 9BS

The above application has now been considered by members of the Parish Council and they have no objections in principle to the erection of a gate. They have commented that it appears to be a necessary safety measure and neighbours' views must be taken into consideration as they would need to access their property through both gates.

However, the Councillors have noted that the visibility sightline of the driveway does not comply with the original planning conditions and this must be corrected before a gate is erected. The Councillors have stated that the Environment Directorate must be consulted on this matter.

Yours sincerely

Victoria Wilson

Mrs Victoria Wilson
Clerk to the Parish Council
