Ribble Valley Borough Council

Date 9 May 2012

Dear Sir/ Madam ,

Applications week ending 27th April

Your Ref No: 3/2012/0252

United Utilities have no objection at this stage. However, the applicant should be made aware that the proposed development falls within the required access strip of a public sewer.

Therefore, United Utilities suggests that the applicant contacts a Building Control Body at an early stage, to discuss this matter further.

Yours faithfully
