Dear Madam

RE: PLANNING APP: 3/2012/0256 SLURRY LAGOON AT WATT CLOSE FARM, GISBURN

Please be advised that Gisburn Parish Council wish to object to the above application.

The Parish Council do not understand why the applicant has chosen this location for the lagoon and believe it should be located nearer the farm itself. Any potential leakage from the lagoon in the chosen location would affect neighbouring landowners rather than the applicant.

The Parish Council are also concerned that any potential leakage, from the chosen location, could easily enter a local watercourse and for this reason also believe another location should be chosen.

Yours faithfully

**CATHY HOLMES (MRS)
CLERK TO GISBURN PARISH COUNCIL
FOR AND ON BEHALF OF GISBURN PARISH COUNCIL**
