

Notes:
1. All work to be carried out in accordance with the relevant current British Standards Codes of Practice.
2. All work and materials shall comply with health and safety legislation.
3. All dimensions are to centre lines unless specified otherwise.
4. The contractor shall ensure that the proposed development is in accordance with the relevant current British Standards Codes of Practice.
5. The contractor shall ensure that the proposed development is in accordance with the relevant current British Standards Codes of Practice.
6. Do not scale off the drawings. A1 sheet only.

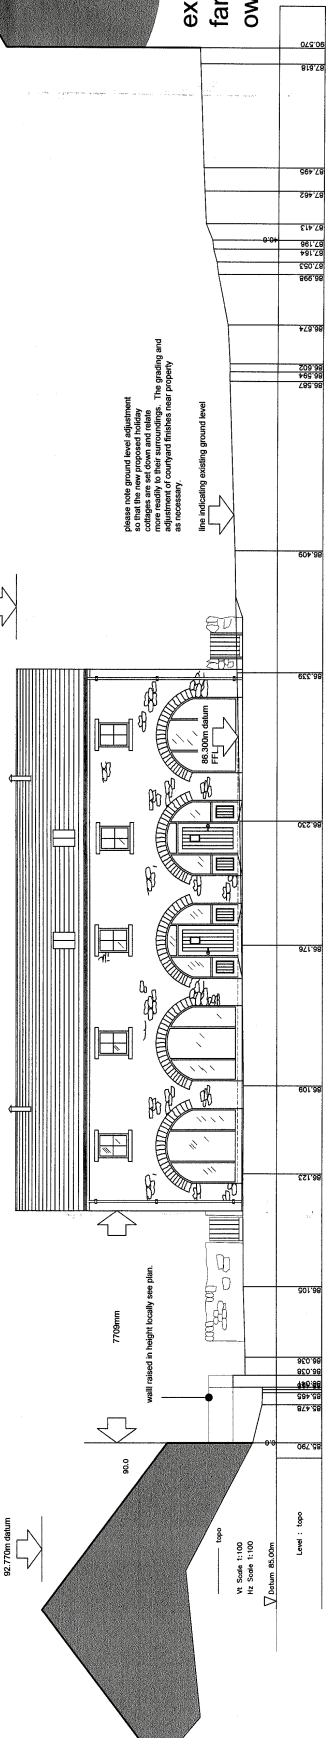

Section B-B' 1:100

existing cottages
owned by applicant

please note that this proposal moves the new cottages
from the existing site to the new site. This is a
concern when the Planning Authority considers the previous
release scheme.
