Dear Mr Macholc

PLANNING APPLICATION No: 3/12/0294 and 295

Application: Proposed demolition of single storey extension to be replaced with a two storey extension [resubmission]

At: 12 & 13 MANOR AVE. RIBCHESTER

The Parish Council notes that the two original applications were refused by planning officers on the grounds that the proposals were harmful to the amenity of neighbouring residents as a result of the overbearing nature of the developments and the loss of light. The present applications as now submitted show such minimal adjustments to dimensions that the initial conclusion remains pertinent.

While the Parish Council did not object to the original applications it now takes the view that the proposals would result in significant harm to the amenity of neighbouring properties and, therefore **OBJECTS** to the applications.

Yours sincerely

I A ORMAND
Clerk to the Council
