Thank you for consulting Craven District Council. Whilst we have no objections in principle to the proposal, I would draw your attention to the location of the site in proximity to West Marton Conservation area and Grade II* Listed Gledstone Hall, and the gardens at Gledstone Hall which are on the list of 'Parks and Gardens of Special Historic Interest.' I would hope that any views of the turbine in the context of these heritage assets would not be harmful to their settings.

On another note, as the photomontages submitted with the application are shown in black and white/scanned in, on your website, it is very difficult to distinguish where the photographs are taken from and how the turbine would be viewed. Can I suggest that the original electronic copy is attached directly, or scanned in colour, in future applications so that consultees can see the information more clearly?

Kind Regards,

Gemma Kennedy | Planning Officer | Craven District Council | 1 Belle Vue Square, Broughton Road, Skipton, BD23 1FJ | Tel: 01756 700600 | E: gkennedy@cravendc.gov.uk | www.cravendc.gov.uk

In the office Mondays & Tuesdays (all day), and Wednesdays (afternoon)

Get involved in the London 2012 Olympic Torch Relay as it travels through Skipton on Sunday 24 June 2012. There are three ways to get involved; line the route, take part in the Festival of Sport and Culture on Skipton High Street or volunteer to be a steward. For more information, please see Craven to welcome the Olympic Torch.

Please can we have your comments on the above planning application? It is for the proposed erection of a 50kw wind turbine on a 25m tower for business use, sited on agricultural land. I have attached the formal consultation letter and here is a link to view the application details on our website http://www.ribblevalley.gov.uk/site/scripts/planx_search.php
