Date:	23rd April 2012		

Planning Application: 3/2012/0322
Location: 4 York Street, Clitheroe
Development: Removal of condition to allow sale of take away food.

Having reviewed the above application I have the following comments to make.

Take Away restaurants can generate a number of problems to the surrounding area from noise, odour and litter. Given the potential to cause problems and the location further information is required from the applicant prior to any decision being made on this application.

Details on the extraction system to be installed and used are required prior to a decision being made.

Regards

Neil Martin
Environmental Health Officer.
