3/2012/0332 – Application for the removal of planning permission 3/2009/0133P for proposed development to improve the hotel and restaurant facilities including bay window extension to private lounge, increase the number of bedrooms with a new bedroom block, new spa buildings and site landscaping and parking at Northcote Manor Hotel, Northcote Road, Langho.

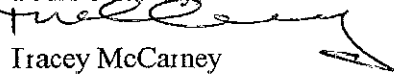

No objections

3/2012/0336 – Application for the removal of condition no12 of planning permission 3/2007/0029P at Northcote Stud, Northcote Road.

The parish council object to this application for the following reasons.

1. The application would result in a significant increase in traffic using Northcote Road. The parish council has written on a number of occasions to express concern about the volume and speed of traffic on what is essentially a country lane. There is already increased traffic from the football club and Blackburn Rovers Academy.
2. There is limited parking for the existing facilities situated on this road.
3. There are already existing equestrian facilities in this area therefore another similar facility is unnecessary.
4. The parish council also have concerns about the two dwellings that have been built and are being lived in on this site.

Yours sincerely,

Tracey McCarney
Parish Council
