8th May 2012

Dear Mr Macholc

Planning Application No: 3/2012/0338
New agricultural store to replace existing sheds
2 Whiteacre Lane, Barrow, Clitheroe, Lancashire, BB7 9BJ

The above application has now been considered by the Parish Council.

The Members have concerns regarding the size and location of the new agricultural store and note that the re-submission of this planning application presents identical problems to those identified in the Parish Council's letter dated 6th June 2011.

The Members object to the application in order to safeguard the environment of the surrounding properties and have made the following observations:

1. The sighting of the store is directly behind a neighbouring property and appears to be visually obtrusive to nearby residents.
2. The sighting of the store directly behind a neighbouring property could have a detrimental environmental effect on nearby residents.
3. The Councillors would like to query the regulations for keeping livestock in such an environment, surrounded by residential properties.

4. Other factors need to be taken into consideration relating to the grazing of cows, as follows:
- i. Increased noise levels;
 - ii. Disposal of waste products;
 - iii. Attraction of undesirable insects;
 - iv. Unpleasant smells;
 - v. Access to the site (for deliveries of livestock, feed and disposal of waste products).

Yours sincerely

Victoria Wilson

Mrs Victoria Wilson
Clerk to the Parish Council
