The Parish Council has considered the plans are they are and the comment are as follows;-

The access to the site need to be modified site Lines/spraylines to make allowance for traffic to enter or leave to site safely as the Trapp Lane has a limit is a 60mph, attended to

The new development will overlook Hill House and landscaping to screen this property should be considered.

Tractor Shed development not shown on the Existing Site plan. Where the landscaping conditions not completed and were breached.

Kind Regards
