Drafted 22 June 2012

Dear Sir

**Planning Applications, Ribble Valley District  
3/12/0356 Moorcock Inn, Slaidburn Road, Waddington**

I refer to your letter of 10 May 2012 concerning the above application.

I have no objection in principle to this application on highway safety grounds.

However, I would recommend the addition of a section of footway or similar frontage treatment to provide an element of separation for residents from passing traffic on the access road.

The anticipated highway activity associated with this development, both pedestrian and vehicular, will be hugely reduced from the previous usage. The consequent reduction in the number of potential turning movements to and from Slaidburn Road, where the National Speed Limit continues to operate, is to be welcomed.
