Heritage Statement

Name and Address of Site

18 Castlegate
Clitheroe
BB7 1AZ

320120528p

List Description

The building is not Listed but is within the Conservation Area and is identified as a building of Townscape merit. 18 Castlegate is not mentioned specifically within the report either as anything special nor of a building with any weaknesses.

Assessment of Setting/Surroundings

Castlegate is just off the main shopping street and still has the original cobbled road. The property is set within a Conservation Area and is such classed as a Heritage asset. The frontage of the property will remain unaltered and we are just requesting a change of use from Residential for the 1st and 2nd floor to Office use. The ground floor will still remain as Office use. There is no on-road parking so there will be no impact from a traffic perspective.

Significance

Set over 3 floors with a basement we are proposing that all 3 floors become office space. Age UK currently occupy the ground floor. The front of the property is rendered with white double glazed windows, though these are not the original windows they have been in for a number of years.

Features

No features of Architectural importance will be affected.

Impact

The proposed changes will have no impact at all on the building, there will be no structural alternations and as such will not have an impact on the historic nature of the building or any of its architectural interest.
