Dear Mr Thorpe,

Application 3/2012/0539 – Wind Turbines at Carr Hall Garden Centre

I am writing on behalf of Aighton, Bailey and Chaigley Parish Council in support of objections from Wilpshire Parish Council relating to the proposed erection of 3 wind turbines on land at Carr Hall Garden Centre, Whalley Road, Wilpshire.

A majority of members of A, B & C Parish Council oppose the application on the grounds of it being detrimental to the visual amenity of the valley, the size of the proposed turbines in relation to other structures in the vicinity, and the precedent it may set for other, larger developments along the Whalley ridge and elsewhere in the valley.

Yours sincerely,

David Bland
Chairman,
A, B & C Parish Council
