Dear Mr Macholc

PLANNING APPLICATIONS No: 3/12/0547

Application: Outline application for the erection of a new build 3 or 4 bedroom detached dwelling with detached garage within the existing garden of an existing dwelling.

At: POLICE RURAL BEAT HOUSE, MANOR AVE RIBCHESTER

The Parish Council's views on applications that seek to build on garden areas is that they should be resisted. In this particular case however, the proposal by the Constabulary is considered unlikely to be detrimental to the village. Indeed, it is possible that where the garden area to be combined with the existing police house an application to build a number of properties on the site might be the result.

I am directed to inform you that on balance my Council raises NO OBJECTION to this application.

Yours sincerely

T A ORMAND
Clerk to the Council
