Statement

11 JUN 2012	
FOR THE ATTENTION OF	

In respect of: 16 Talbot Street, Chipping, PR3 2QE
Owner: Marie Corrigan (mrcorrigan@gmail.com)
Prepared for: Lesley Lund, Ribble Valley Borough Council
Dated: Saturday 9th June 2012

16 Talbot Street is a semi-detached residence in Chipping, Lancashire.

The house was purchased by Michael and Marie Corrigan ten years ago, not only as an investment in the village, but as a potential future retreat upon retirement.

Mr Corrigan passed away tragically last year and so his wife has become solely responsible for the property going forward.

Mrs Corrigan remains committed to the residence and indeed to the village, and it is in this spirit that she requests authority from the relevant Council officials, to instruct building/maintenance professionals to carry out essential work.

Mr Corrigan spent a great deal of time renovating the interior of the house and, as a man brought up in a small village himself, did so with consideration for the local population and with passion for the heritage and origins of the building and wider community.

Mrs Corrigan is conscious that her house at 16 Talbot Street is listed and within a conservation area, and believes in the importance of such designations, to preserve our shared history and as importantly to ensure Chipping remains a nice place to live.

The property is located on one of the main thoroughfares through the village, therefore deeming it significant that it be protected. An 18th century vernacular stone cottage, its development by Mr Corrigan included retention of original features and enlistment of local tradesmen.

Mrs Corrigan is not seeking to alter the character or appearance of 16 Talbot Street, but wishes rather to reinforce the structure of the building, thereby enhancing its integrity holistically with a view to its remaining as is and intact for years to come; i.e. the proposed work would have a positive impact on the site and vicinity.

Specifically, permission is being sought to repair bottom left lintel, which has given way and caused the stonework above to crack. It needs replacing urgently. Local stone would be used to match the existing windows.

Thank you.
