Subject: RE: Consultation on planning application 3/2012/0558 mill adjacent to Primrose House, Primrose Rd, Clitheroe

Dear Jane,

Thank you for consulting us on this. In general it seems like a reasonably sensitive proposal. However, we would prefer it if the existing small-paned windows were retained, as they are an important element of the character of the building, and if new windows maintained this effect. In particular, it should be possible for the internal garden section of the building to use the original windows, as heat retention will not be a factor in this part of the building.

Kind regards,

Chris Costelloe

Subject: Consultation on planning application 3/2012/0558 mill adjacent to Primrose House, Primrose Rd, Clitheroe

Please can you let us have your comments on the above planning application? It is for the proposed conversion of the former mill building into an apartment, design studio and internal garden.

There are too many documents to attach to an email, so here is a link to view the application on our website http://www.ribblevalley.gov.uk/site/scripts/planx_search.php

The mill building is not listed, but is adjacent to Primrose House, which is. I have attached the listing description of Primrose House together with the formal consultation letter
